## 2019–20 Repeating Schedule Day Occurances

On all but six days during the 2019–20 academic year, all classes, with the exception of 0-period electives, will meet every other day on a rotating 4-day repeating schedule. The following table provides the Day schedule for the full school year. Should period start/end times vary during the week, students/parents/faculty will be notified by email messages and school announcements. Student schedules, available on the Veracross Student (look for the “Daily Schedule” tab) and Parent Portals (look for “Daily Schedule” in the “My Children” section) will reflect alternate schedules on days with campus-wide events that change period start and end times.

Beginning in October, most Mondays through the remainder of the year will follow a Mentoring schedule wherein the periods will be shortened to 80 minutes and a 25 minute mentoring (advisory) period will be added in the morning. Check the Veracross calendar for specific Mondays when this will be in effect.

For the Day All days on August 19 and 22, November 22, and January 6, February 14, and March 27, all 8 periods, A–H, will meet in alphabetical order; school will be dismissed at the normal 3:00pm.
